## **R1415-09 Civil & Criminal Carpeting**

### **Questions & Answers**

issued 06/27/2015

**1. Is there an estimate available for this project?**

Answer: The Court has not paid for this service in the past. Re-modeling is always a unique service. Exact measurements have not been taken. The walk-thru is mandatory.

**2. Any currently tiled areas are not to be touched, criminal entrance, copier room, civil rolling files, civil entrance?**

Answer: That is correct all current VCT is not to be touched.

**3. Does criminal shelving bolted to wall and rolling shelving need to be removed?**

Answer: The bolted shelving does not need to be removed, but we are increasing the request of extra box to two (2) boxes so that if we do later move the shelves we have replacement material.

**4. Could employees remove personal items from desks?**

Answer: All boxes will be removed from the floor except for the furniture; bid winner will need to coordinate schedule of locations to have staff comply with this request.
